

the taxable year ended March 31, 1968, attributable to an interest in the partnership prior to the month following the month in which he died (the allocation being made in the manner prescribed for allocating his \$1,200 distributive share of XYZ partnership loss for such year), when aggregated with his distributive share of XYZ partnership gross income for the partnership taxable year ended March 31, 1967, and with his distributive share of ABX partnership gross income for the partnership taxable year ended May 31, 1967, results in X having more than \$2,400 of gross income from the trade or business of farming. If such aggregate amount of gross income is not more than \$2,400, the option described in paragraph (a)(2)(i) of § 1.1402(a)-15, is available.

*Example (2).* A, a sole proprietor engaged in the business of farming, files his income tax returns on a calendar year basis. A is also a member of a partnership engaged in an agricultural activity. The partnership files its returns on the basis of a fiscal year ending March 31. A dies June 29, 1967. A's gross income from farming as a sole proprietor for the 6-month period comprising his taxable year which ends because of death is \$1,600 and his actual net earnings from self-employment based thereon are \$400. As of March 31, 1967, A's distributive share of the gross income of the farm partnership is \$2,200 and his distributive share of income described in section 702(a)(9) based thereon is \$1,000. The amount of A's distributive share of the partnership's ordinary income for its taxable year ended March 31, 1968, which may be included in his net earnings from self-employment under section 1402(f) and paragraph (a) of this section is \$300. The amount of the deceased partner's distributive share of partnership gross income attributable to an interest in the partnership prior to the month following the month of his death as is determined, pursuant to subparagraph (1) of this paragraph, under paragraph (a) of this section is \$2,000. An aggregation of the above figures produces a gross income from farming of \$5,800 and actual net earnings from self-employment of \$1,700. Under these circumstances none of the options provided by section 1402(a) may be used. If the actual net earnings from self-employment had been less than \$1,600, the option described in paragraph (a)(2)(ii) of § 1.1402(a)-15 would have been available.

(c) *Taxable years ending after 1955 and on or before August 28, 1958—(1) Requirement of election.* If a partner's taxable year ended, as a result of his death, after 1955 and on or before August 28, 1958, the rules set forth in paragraph (a) of this section may be made applicable in computing the deceased partner's net earnings from self-employ-

ment for his last taxable year provided that:

(i) Before January 1, 1960, there is filed, by the person designated in section 6012(b)(1) and paragraph (b)(1) of § 1.6012-3, a return (or amended return) of the tax imposed by chapter 2 for the taxable year ending as a result of death, and

(ii) Such return, if filed solely for the purpose of reporting net earnings from self-employment resulting from the enactment of section 1402(f), is accompanied by the amount of tax attributable to such net earnings.

(2) *Administrative rule of special application.* Notwithstanding the provisions of sections 6601, 6651, and 6653 (see such sections and the regulations thereunder) no interest or penalty shall be assessed or collected on the amount of any self-employment tax due solely by reason of the operation of section 1402(f) in the case of an individual who died after 1955 and before August 29, 1958.

[T.D. 6691, 28 FR 12796, Dec. 3, 1963, as amended by T.D. 6993, 34 FR 830, Jan. 18, 1969]

**§ 1.1402(g)-1 Treatment of certain remuneration erroneously reported as net earnings from self-employment.**

(a) *General rule.* If an amount is erroneously paid as self-employment tax, for any taxable year ending after 1954 and before 1962, with respect to remuneration for service (other than service described in section 3121(b)(8)(A)) performed in the employ of an organization described in section 501(c)(3) and exempt from income tax under section 501(a), and if such remuneration is reported as self-employment income on a return filed on or before the due date prescribed for filing such return (including any extension thereof), the individual who paid such amount (or a fiduciary acting for such individual or his estate, or his survivor (within the meaning of section 205(c)(1)(C) of the Social Security Act)), may request that such remuneration be deemed to constitute net earnings from self-employment. If such request is filed during the period September 14, 1960, to April 16, 1962, inclusive, and on or after the date on which the organization which paid such remuneration to such

individual for services performed in its employ has filed, pursuant to section 3121(k), a certificate waiving exemption from taxes under the Federal Insurance Contributions Act, and if no credit or refund of any portion of the amount erroneously paid for such taxable year as self-employment tax (other than a credit or refund which would be allowable if such tax were applicable with respect to such remuneration) has been obtained before the date on which such request is filed or, if obtained, the amount credited or refunded (including any interest under section 6611) is repaid on or before such date, then, for purposes of the Self-Employment Contributions Act of 1954 and the Federal Insurance Contributions Act, any amount of such remuneration which is paid to such individual before the calendar quarter in which such request is filed (or before the succeeding quarter if such certificate first becomes effective with respect to services performed by such individual in such succeeding quarter) and with respect to which no tax (other than an amount erroneously paid as tax) has been paid under the Federal Insurance Contributions Act, shall be deemed to constitute net earnings from self-employment and not remuneration for employment. If the certificate filed by such organization pursuant to section 3121(k) is not effective with respect to services performed by such individual on or before the first day of the calendar quarter in which the request is filed, then, for purposes of section 3121(b)(8)(B) (ii) and (iii), such individual shall be deemed to have become an employee of such organization (or to have become a member of a group, described in section 3121(k)(1)(E), of employees of such organization) on the first day of the succeeding quarter.

(b) *Request for validation.* (1) No particular form is prescribed for making a request under paragraph (a) of this section. The request should be in writing, should be signed and dated by the person making the request, and should indicate clearly that it is a request that, pursuant to section 1402(g) of the Code, remuneration for service described in section 3121(b)(8) (other than service described in section 3121(b)(8)(A)) erroneously reported as self-employment

income for one or more specified years be deemed to constitute net earnings from self-employment and not remuneration for employment. In addition, the following information shall be shown in connection with the request:

(i) The name, address, and social security account number of the individual with respect to whose remuneration the request is made.

(ii) The taxable year or years (ending after 1954 and before 1962) to which the request relates.

(iii) A statement that the remuneration was erroneously reported as self-employment income on the individual's return for each year specified and that the return was filed on or before its due date (including any extension thereof).

(iv) Location of the office of the district director with whom each return was filed.

(v) A statement that no portion of the amount erroneously paid by the individual as self-employment tax with respect to the remuneration has been credited or refunded (other than a credit or refund which would have been allowable if the tax had been applicable with respect to the remuneration); or, if a credit or refund of any portion of such amount has been obtained, a statement identifying the credit or refund and showing how and when the amount credited or refunded, together with any interest received in connection therewith, was repaid.

(vi) The name and address of the organization which paid the remuneration to the individual.

(vii) The date on which the organization filed a waiver certificate on Form SS-15, and the location of the office of the district director with whom it was filed.

(viii) The date on which the certificate became effective with respect to services performed by the individual.

(ix) If the request is made by a person other than the individual to whom the remuneration was paid, the name and address of that person and evidence which shows the authority of such person to make the request.

(2) The request should be filed with the district director of internal revenue with whom the latest of the returns specified in the request pursuant

to subparagraph (1)(iii) of this paragraph was filed.

application for exemption referred to in paragraph (a) of this section.
